Aspire to be Amazing!

17th March 2020

Dear Parents/Carers

Ironbridge Residential

As you are aware, the Prime Minister announced new measures and advice to the public in relation to Covid-19, after we met to discuss the residential visit to Ironbridge yesterday. In light of the advice to stop non essential contact with others and to stop non essential travel, we have taken the difficult decision to postpone the Ironbridge Residential. We have spoken to the children to explain this decision.

We have been in contact with the YHA and are awaiting further information once they have met to discuss their policy following the changes in guidelines.

The children who have requested a packed lunch for the residential will still receive this tomorrow; as school meals have been pre-ordered this cannot change to a hot meal at this late stage. Please use Parentpay or contact the school office if you need to order meals for Thursday and Friday of this week.

At present, the safety and well-being of the children and the staff is our primary concern; we will of course communicate any further updates when these are received.

Thank you in advance for your support in this difficult decision.

With kind regards

Mr M Hover
